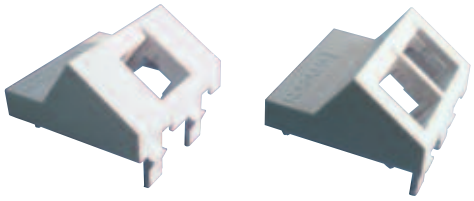
French Style Faceplate

AX101413-14 French Style Faceplates Flush



AX101415-16 French Style Faceplates Angled

The Belden French Style Faceplates are designed to allow flexibility at the work area. They are designed to accept the EZ-MDVO and GigaFlex UTP modules as well as all the MDVO multimedia modules. They are also compatible with all Belden High performance Modular Cords. The French style faceplates are available in 1-port and 2-port configurations in both flush and angled entry options. The faceplates can be attached to standard 45 mm x 45 mm boxes or mounting hardware for flush-mount installations.

Features & Benefits

- Available in flush or angled versions
- Available in 1-port and 2-port configurations
- Fire-retardant plastic, UL94V-0, white with light textured finish
- Fully compatible with Belden ID Tabs (when using GigaFlex or EZ-MDVO modules) to protect against dust and other contaminants
- Faceplates fit over standard 45 mm x 45 mm backboxes or pathways for flush or surface mounting
- Angled faceplates for shallow backboxes and floor boxes
- Compatible with all Belden UTP and MDVO Multimedia Modules.

Application

- Telecommunications outlets in work areas.

Technical Specifications

- Dimensions (H x W x D):

  Flush: 45 x 45 x 23 mm
  (1.75 x 1.75 x 0.92 in.)

  Angled: 45 x 45 x 38 mm
  (1.75 x 1.75 x 1.50 in.).

- Material: Fire-retardant plastic, UL94V-0, white.

Installation tips

- For unused ports, use the Belden ID Tabs to protect the modules against dust and other contaminants
- Label each port carefully for future reference and ease of administration
- Use the different module colors to ease identification and location of users, areas or types of service.

Packaging

- Individually packaged in a clear plastic bag
- Standard shipping carton of 30 units.
